Subject: Fw: Meet Marvin, Men's answer to Maxine! ENJOY!!

You knew this was going to happen eventually!

Meet Marvin, Men's answer to Maxine!!!

Her job is to Bitch...
Mine is to give her a reason!

Men strike back!

How many men does it take to open a beer?
None. It should be opened when she brings it.

Why is a Laundromat a really bad place to pick up a woman?
Because a woman who can't even afford a washing machine will
probably never be able to support you.

Why do women have smaller feet than men?
It's one of those 'evolutionary things' that allows
them to stand closer to the kitchen sink.

How do you know when a woman is about to say something
smart?

When she starts a sentence with 'A man once told me....'

How do you fix a woman's watch?
You don't. There is a clock on the oven.

If your dog is barking at the back door and your wife is yelling
at the front door, who do you let in first?

The dog, of course.. He'll shut up once you let him in.

Scientists have discovered a food that diminishes a woman's
sex drive by 90%.

It's called a Wedding Cake.

Why do men die before their wives?

They want to.

Women will never be equal to men
until they can walk down the street with a bald head
and a beer gut, and still think they are sexy.

Send this to a few good men who need a laugh and
to the select few women who can handle it!

AND MAXINE SAYS.....'MARVIN'...

Maxine just had to have the last word.
